Oh my, oh my, without any repentance,
King Raquel is sending more soldiers again
No matter how many times you do it,
the number of death will only increase

Hummm···
She is writing a letter to mom
Is she writing novels?
What a good girl !

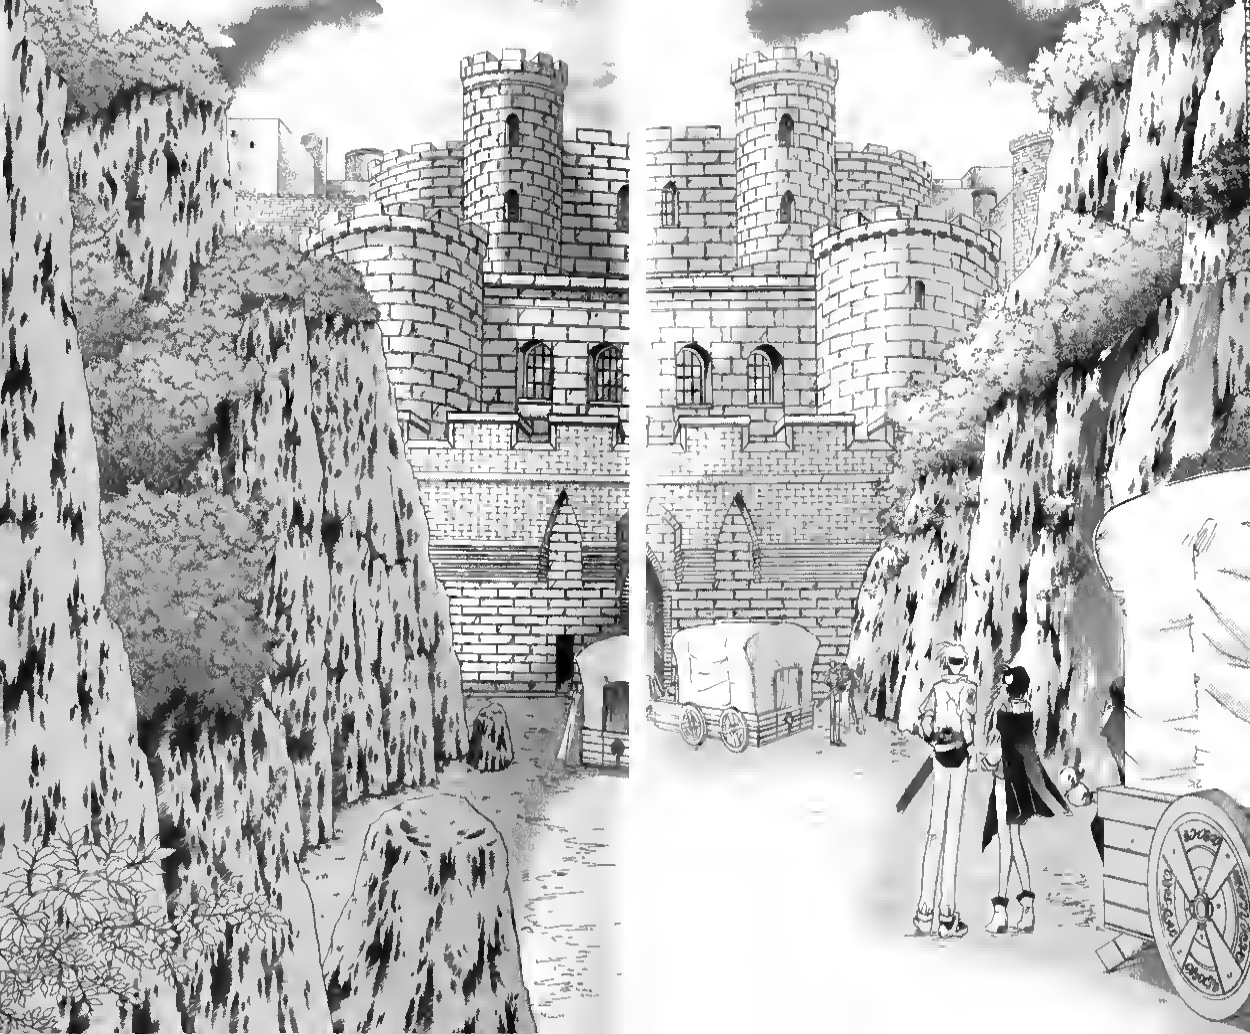
ラクール前線基地
Raquel War Front Military Base

We arrived at the Raquel war front military base
Hey, you guys get off
What



I am the Supreme Commander who controls the headquarter, Harvest
Welcome everyone to the front base
It is a truly grateful thing
For even one strong person like you to join

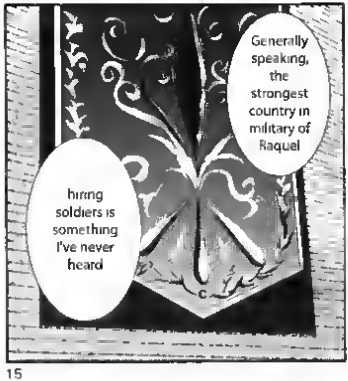
and lets protect the peace of Raquel!!!
Kick out the demons
Familiar faces here and there—
There's a lot of participants from the Armory Contest too
Much more people who were sent other than us
He collected so many

Bu
Eh-hem!!
AAAH, YOU GUYS AGAIN!!!
AAAH AAAH AAAH,
Now wait
We're not here to fight against you

About what?
Hey, anyways what do you think

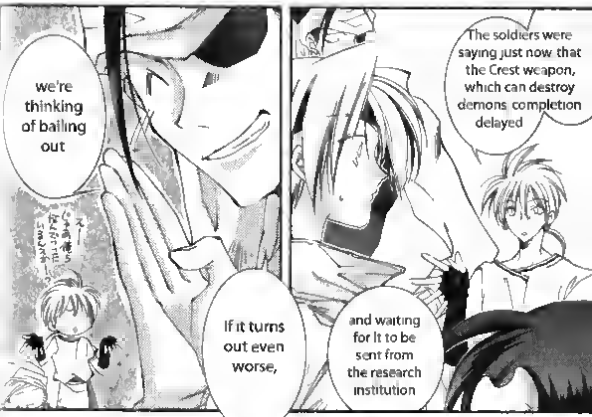
That was just only for a moment!! !
Sorry!
But you annoyed Dias by stealing his sword

Well... there does seem to have a bit of an unnatural movement....



Generally speaking, the strongest country in military of Raquel
hiring soldiers is something I've never heard

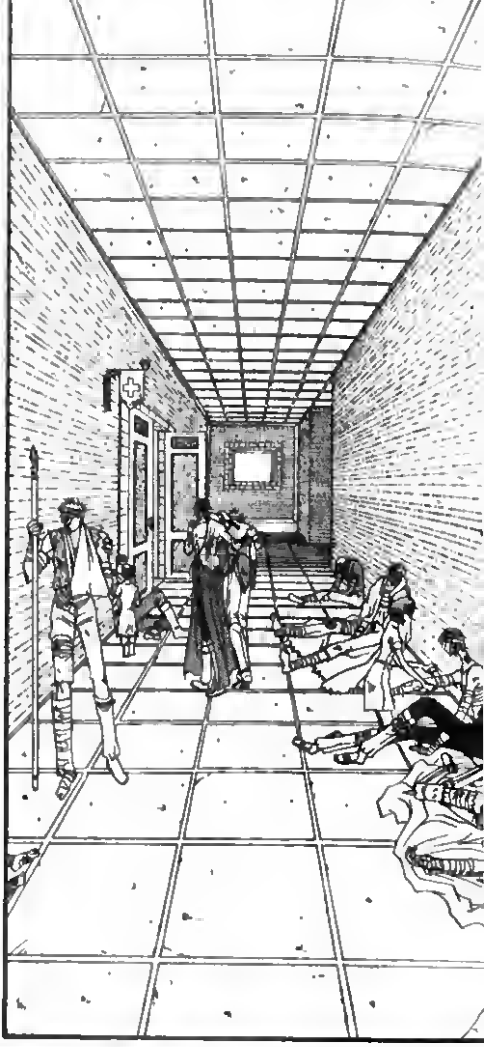
the war situation on the human side isn't good
I mean unless we see the Supreme Commander's condition

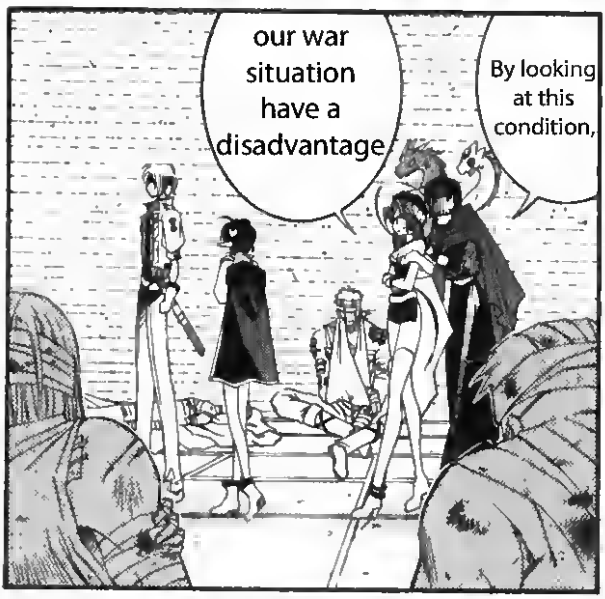


we're thinking of bailing out
If it turns out even worse,
and waiting for it to be sent from the research institution
The soldiers were saying just now that the Crest weapon, which can destroy demons completion delayed

Yeah It must be the Requel Hope
The powerful crest weapon, meaning what Leon said...
Right when we came here, hearing bad things...

Uuu… help me…
It hurts…
Painful …





our war situation have a disadvantage
By looking at this condition,

Everyone seems distressed …
can't I cure them with my power…

YOU, MOVE ASIDE!!!
Yes... but
It's no use, Rena
There's too many people
Yes
Your body won't be able to take it if you were curing everyone
W_where
Demon!?
THERE IS A DEMON IN HERE!!!
Huh?
W... wait...
Is
Is it
ME ...!!?

What!? Oh my...
ASHTON!!
ずるり
aren't you guys!!
O.
Opera!!

Opera, what about you?
But it is a surprise to meet you again
I'm sorry.
I thought he was a demon
I came to Raquel
and I heard that this military base is collecting famous talented people
After I separated from you, I was searching from him in Cross
but I can't find anything that connects to him
I looked for him in the crowd
and asked numerous people about him...
Maybe Ernest was here

But he wasn't even here...
I may... never see him again...
This...
Opera
!!
!

Where did you meet him?
Well ....
Did you guys meet him!?
This is ...
Ernest's ...!?
And...
a place called Hoffman Ruins...
Opera!!!
Ernest!!
El...El!

OPERA !!!
Wait Opera!!
Where are you going!!
To the Hoffman Ruins!!
But
Ernest is already
YOU'RE GOING TO SAY HE'S NOT THERE ANYMORE !!
I KNOW !!!

THEN WHAT SHOULD I DO!!
THAT PERSON IS ALWAYS LIKE THAT!!
HE GOES OFF ON HIS OWN, NOT CARING ABOUT MY FEELINGS!!
WHY DIDN'T YOU STOP EL!!!
WHY?

I'm sorry
It's not your fault... I understand
He is not the kind of person who will change his belief, even if someone stops him
He doesn't care about me at all...

I am sure that he is worried about you!!
Ernest said he'll continue his journey of research, but
THAT'S NOT TRUE!!!
That pendant which we were asked to give it to was you
sent to show you that he himself is safe and
believing that you will meet again!!

He will continue his research? Don't worry because I am safe?
Such a selfish man
Don t you think he is an unbellevably selfish man?
Opera?
I can t believe it
But I like him
I... love him

for telling me Ernest's... safety
Thank you...

Don't you think so, Claude
Hm - ooh
But we can't sleep calmly when
we don't know when the demons will attack

Oh yeah, he did say he went to the front base ahead
No not yet

Did you see Dias when you came here?
Rena

I should be accepting his strength but it feels like getting angry, and
how should I say this
It's more reassuring if he was here at a time like this but
a feeling of... complica tion

Claude?
A, sorry

Rena?
Yes ... it is the same with me...
even now the villagers are worried about Dias, which they feel anger, but
One day he suddenly left the village and
Rena
Why did Dias left the village ?
it is good to see when you meet him

Well...
You want to know?
Dias...

Isn't it the same with you?
I became like this when I put myself into a fight...
that is all

But you can say that as the center of the battlefield
You should be thinking like that on your own

I...

That's fine too
Don't like to fight?
It's for the Sorcery Globe investigations?

But to be a bit hypocrite by saying like 'I naturally don't like to fight
I want you to stop that
I can survive by fighting
Claude, do you

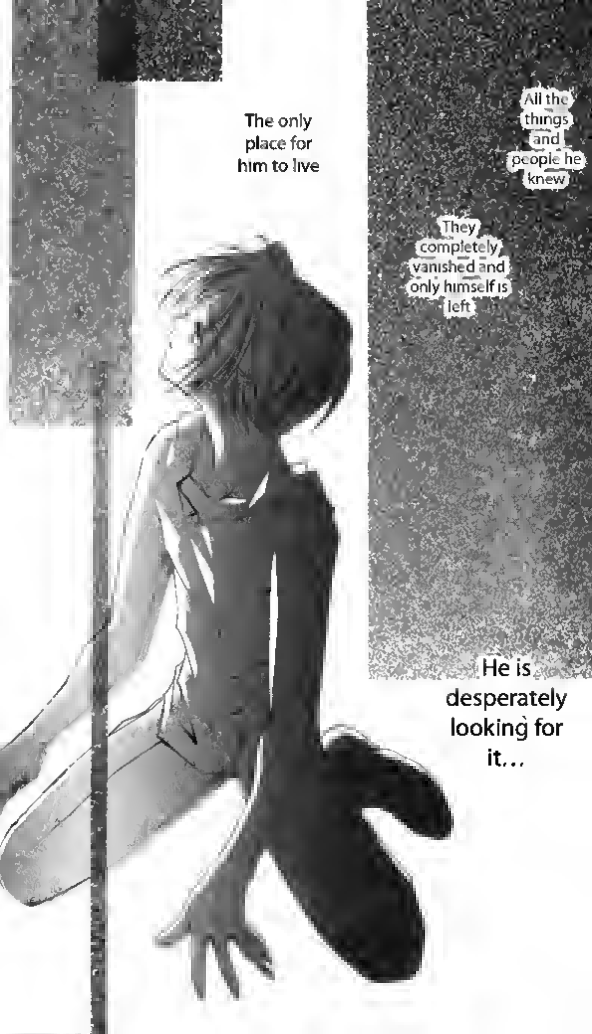
お前は
Do you
自分を保つ術を知っているのか？
Know your skill

If I only wasn't sent to this planet
From that accident

Claude
…

About Claude?
Yes...
I really don't know about him at all
It's just that...
He won't talk anything about himself
Where Claude was born and where he came from

He is bluffing in front of you and me, but
Sometimes he seems more lonely than I am...
Like a child...
who was suddenly pulled away from his home



The only place for him to live
All the things and people he knew
They completely vanished and only himself is left
He is desperately looking for it...

He have the most unstable heart than anyone
Claude is weak
Strong ?
No
I can't stand being alone
...he is strong then
he is trying to protect his friends desperately
Though he is weak and lonely,
he's trying to survive
By protecting someone

Opposite from me who save myself by fighting.
he is trying to survive by protecting others
Some-thing that gets in your way like a team,
you can leave it alone
But I guess he won't feel satisfied unless he help
No matter how hurt he is,
Claude will protect you
Being who he is.

if Claude himself is saved
By protecting us,
That is why we want to be with Claude
Until Claude notices that he is not alone,
We all like Claude
We are planning to be close to Claude
Rena and Ashton must feel the same
A lucky guy
Claude

Rena... you talk to him
So h won't become like me
The reason
why Dias left the village?
Well
That is

His family was
killed by burglars...

If this was a nightmare I wish I can wake up immediately
The red coverings too
The cold scene,

Invasion
If only it was
A dream
!!!

Dias had a past like that...
...
Only a Dream
Dias was miraculously saved
only one person
When the villagers arrived, everything ended...
His kind father and mother,
even his little sister Sesille which we played with all the time everyone was killed...

If I was more stronger,
Mom and dad...
Sesille would be protected ...
If only I had...
more strength ...

About his parents and Seslie...
Dias is still blaming himself...
.....
Dias left Arlia
Before waiting for his injuries to cure...
Dias must feel the same that is why
No
he told me to tell you about this
Claude... I only wanted you to listen...
I am not the one should be listening...
Sorry... an important thing like that

What he wanted to tell me...
His strength and his secret, and
I can... understand
I came all the way here, beginning with the word [light hero]...
Many things happened since I left Arlia
A lot of new people and separations...
And we are definitely getting close to the Sorcery Globe
But there's one thing
I decided to do before starting this journey

No matter what happen
I will protect you
This feeling will never change

Thank you...
Claude ...
Commander!!!
The demons
The demons are attacking!!!

We must protect Raquel!!!
Fight!!!

Yes!!
Rena, the victims into the building!!!

Th, th, th, that, the west side!!
What is it, Ashton !!
See
C,C,C,C, C,C, Claude !!!
WAAAAA !!!!!
Th, the sky is full of black things!!!
No no
Is that

群れる悪魔!!

flock of demons!!!

Dias
That's right
Well, the only way to protect is to fight
What should we do Claude!!
We can't go against demons in that number!!
Aaah!!

You too
Don't die here
I haven't settled with you yet

It's no use fighting here!!!

Raquel Hope, set the oim to the flock of demons!!!
Stort the preparation of firing !!!
Celine aren t you a crest magician Come here and help us
M...mell?

Leon !!!
The Raquel Hope is complete!!
Yeah
But the detailed explanation is later

ボウ…
By the Gods from the past, given the source of life
held to that future

The people's Shou, the land's opportunity
All living things, wishe in numerous thoughts come true by the aymg words
The evil darkness that stands in front of the light

For the light cannon's ishiyumi by the numerous preying and blessing
Annihilate!!!

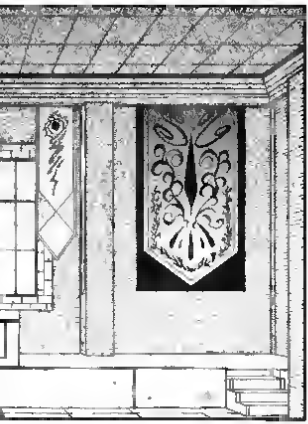
The flock of demons were blown away in a moment...
Wwwwow. That's the power of the crest weapon.

Isn't it great, I made this!!!
How about it? The power of the Raquel Hope

Then it must have took time to carry

A...anyways, pap and mama said they have something to tell you

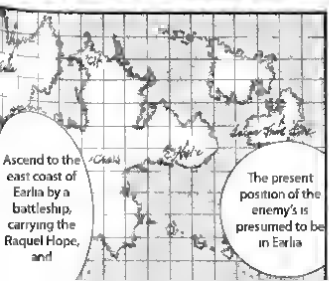
You made that weapon?
Well, a weapon like that I can make it in 2 days
Yeah



To us?

So the King Raquel said to attack straight to El
As you can see, the Raquel Hope is complete

That may be the best way...
Attack straightly to the opponent without giving any moment...
Yes...



Ascend to the east coast of Earlia by a battleship, carrying the Raquel Hope, and
The present position of the enemy's is presumed to be in Earlia

For this occasion,
We called you If we can borrow your strength

Wait a minute
Then what happens to the people in El?
Burn out the Earlia itself instantly!
!!?

The Raquel Hope will be fired after that
The confirmation of the safety of the people in El, and taking over in a safe place is the priority
Calm down It's not like we will set the
preparation of the Raquel Hope towards Earlia when we immediately spot El

What we want to ask you is that
If you can get off in El as the forerunners
The battleship will burn our the demons with the Requel Hope, and come to the shore in El

We would like you to fight against the demons and investigate the Sorcery Globe later
Well I guess it can't be help
Yeah

Claude

The forerunners will land there, and
confirm the citizens' safety

I understand
We will accept the part of the forerunners!!
Well, you can feel safe... because I'm coming along
Feel anxious...
どーんっ!!

YOU HAVE SHOWN IT TO ME VERY WELL
IT WAS WORTH SETTING THE DEMONS AT IT...
WHAT YOU CALL
THE RAQUEL HOPE'S STRENGTH ...

We will meet again next time

Where's Claude and Rena?
Don't know...
Maybe they already got on the ship...
Dias...

To be honest, it feels helpless without you...
Dias...
Is it true that you are going to stay at the front base?
Yeah the scientist's head are full of attacking I don't think they are thinking
about the possibility of the front bases defense becoming thin
I can protect Rena but
If I was strong as you, everyone...
My strength Is to protect myself, and
not to protect someone
Do you truly think
I am strong?

Rena is my sister...
The strength that you hold is the strength to protect someone
Protect with your hands...
